VOLUNTEER VISION

Mohammad Haj Ebrahim

Digital Mentee

eCareer for employability skills

Mohammad Haj Ebrahim has successfully participated in the online mentoring program, eCareer!

The eCareer program provides 1:1 training for people in their career orientation and professional development.

The mentoring program, consisting of seven online video chat sessions, aims to give guidance and increase the employment prospects of each participant on an individual level. Each participant was paired with a trained professional from a global corporation.

The following topics were addressed in the training sessions:
• strength identification
• goal-setting
• writing a perfect CV
• writing a cover letter
• preparing for an interview
• navigating digital applications
• planning your next steps

We wish you all the best in your future professional endeavors!
