seher irem* kurt

Digital Mentee
eTechCareer

seher irem* kurt has successfully participated in the online tech mentoring program eTechCareer.

This program consists of seven mentoring sessions in which mentees get to know their specific tech potential, tech application processes as well as best practices on how to work in multi-disciplinary tech teams.

The following topics were addressed in the mentoring sessions:
• How to build a mentorship
• Identify one's strengths and weaknesses in tech
• Master a tech job interview
• Best practices in communicating one's tech
• How to strengthen one's resilience
• Set, achieve, and attain personal goals
• Take your career to the next level through networking

We congratulate you and wish you all the best in your future professional endeavors!
